

Happy  
New  
Rotary  
Year

The First Sonoma County Association of Rotary  
Clubs Meeting for Rotary Year 2021-2022.

Thursday, July 29  
5:30 pm  
Zoom Info Below

Start the year off right and network with fellow Sonoma County  
Club Leadership teams, Rotary friends, and allies

While this meeting is usually just a social gathering, too much is happening to not share with each other what our "new normal" might look like.

Here's a little homework.

- Prepare to share your club's plans for Zoom, In-Person or Hybrid meetings, and when do you hope to start.
- Tell us what are the challenges you face and any successes so far?
- Share fundraisers and upcoming events.
- How can we support each others efforts.

Zoom Note: Please be certain to modify your screen name by adding your club, so we can spotlight you when you speak. Encourage any members who join you to do the same.

Presidents, you're encouraged to invite your officers, board, any new members, any old members, prospective members, etc. If you have someone you would like invited, please forward this email to them.

If there are any questions, please contact the chair for the July 29 SCARC, Diana Curtis.

Phone: 707-483-8472
